Class Descriptions

Aqua Fit

A general water fitness class designed as a medium intensity total body workout, providing a balance of cardiovascular and muscular strength training. Easy to follow choreography with lots of options for intensity. Classes can be held in deep or shallow water.

Boot Camp

An intense, full body workout designed to build strength and improve overall fitness. This class challenges participants with variety, speed, drills, and cardio segments.

Core Conditioning

Abs, back, hips, glutes – this class is all about functional training. Condition your core to work for you with a series of muscle strengthening exercises focusing on your core.

Cyclefit

Get your legs pumping with this indoor cycling class set to energetic music. An instructor will lead the class through an aerobic and anaerobic workout on stationary bikes, simulating hills and valleys and incorporating timed athletic drills.

Functional Fitness Training

An active lifestyle is important at every age. Regular exercise can increase energy, manage symptoms of illness or pain, and helps people maintain their independence. This program teaches participants how to improve their strength, stamina, balance and coordination.

Step and Strength

Train your cardiovascular system performing rhythmic patterns stepping on and off a platform to music. This is supplemented by an overall resistance training workout to improve muscle strength, endurance and functionality using a variety of equipment

Total Body Workout

Warm Up, Cardiovascular Conditioning, Resistance Training for the whole body topped off by flexibility training; this class covers it all.

Yoga

Move your body through a series of postures designed to increase flexibility, strength, balance and range of motion. Restorative breathing exercises & a final relaxation will promote stress reduction & mental clarity.

Young at Heart – Cardio*

An easy to follow, moderate intensity fitness cardio class. Classes will include exercises for improving strength, balance, cardiovascular fitness and flexibility.

Young at Heart – Cyclefit*

An instructor will lead the class through an aerobic and anaerobic workout on stationary bikes, simulating hills and valleys and incorporating timed athletic drills. This class is targeted to beginners and those wishing to work at a more gradual pace

Young at Heart – Strength*

Weight training increases muscle strength, bone density and stamina at all ages. The exercises in this class are designed to enhance the ability of the participant to perform routine daily tasks and to improve posture and balance.

Young at Heart – Yoga*

Enjoy gentle stretching as you move through a series of gentle seated and standing poses designed to increase flexibility, balance and range of motion. Movements will help you develop core strength and improve posture.

Zumba

A fusion of Latin and international music dance themes creating a dynamic and effective fitness workout. A one of a kind workout moving you in ways you never imagined!

Zumba Gold

This class recreates the original Zumba moves you love at a lower-intensity. Come enjoy easy-to-follow choreography while focusing on balance, coordination, agility and range of motion.

*Meets specific standards designated by the University of Ottawa Heart Institute
