Child and Youth Age and Access Policies

Children 0Y-9Y may use Y programs and facilities when accompanied by a parent or guardian over the age of 16Y. To ensure your child's safety, a parent/guardian must remain in the building while the child participates in a program. When the child is not in a program, they must be directly supervised by their parent/guardian at all times.

Children aged 10Y-12Y may access the facility without a parent but must complete the free Y Kids Academy program in order to use the conditioning floor.

Children 10-12 years can participate in pre-teen programs by signing themselves in and out of programs as long as parents/guardians have completed the Child, Youth and Family Program Sign-In/Out waiver form.

Youth 13 years and older may access facilities, programs and conditioning floor unaccompanied
